GOODWILL MESSAGE BY HAJIYA RAMATU DALHATU MUSA MFR MNI, FORMER NATIONAL PRESIDENT, NATIONAL COUNCIL OF WOMEN'S SOCIETIES (NCWS), NIGERIA, ON NATIONAL SUMMIT ON THE FUTURE OF NIGERIA'S CONSTITUTIONAL DEMOCRACY, TRANSCORP HILTON HOTEL, ABUJA, 15TH JULY 2025.

Protocol:

It is indeed a great joy for me to send a goodwill message to this critical dialogue bringing together eminent national pathfinders and advocates. It is a very worthy convening! I commend the Patriots and NPSG for this courageous effort, preparation, and illuminatingly crafted invitation message that summarizes the past, the present, and the future-building we can't afford to miss again as a people.

My people, I will not be physically in your midst at Transcorp due to a critical surgery I am scheduled to undergo out of Abuja, but my thoughts and prayers are with you for great and unparalleled success for the event.

God will see me through and I will be back on my feet again to militate within the post Summit implementation efforts and activities.

As we reflect on the nation, I see a Nigeria that is fairly united and prosperous for all its citizens, and compassionately integrating those living in margins into the page of society.

So, help us God!

Haj. Ramatu Dalhatu Musa, MFR, MNI.
